

Aerospace Retirees' Club

Dear Retiree,

Yogi Berra once offered this advice to a group of his peers: “when you come to a fork in the road, take it.” We are not offering advice, but the Aerospace Retirees’ Club (ARC) is offering a **one-year, complimentary membership** to new enrollees. New members will receive a subscription to our bi-annual newsletter, invitations to summer and winter social events, and club sponsored seminars.

The Retirees’ Club offers you the opportunity to stay in touch with former friends and colleagues. Our newsletter features current and upcoming events, a list of recent retirees, a memorial column and recent Orbiter articles, as well as articles submitted by Aerospace retirees. Our summer and winter social events feature speakers with topics of interest to retirees. The ARC is a member of the Aerospace Employees Association.

We hope you will join us, and we look forward to seeing you at our next event. To enroll, simply complete the information in the box at the bottom of this invitation and return it to:
