AEA Amateur Radio Club Officers

President
Kirk Crawford
KK6KC

Vice President
Thomas Fagan
K7DF

Secretary
Bob Lanahan
KK6WYW

Treasurer
Albert Leong
(Retiring)
KD6NSG

Like Money?

- Albert is retiring
- Treasurer spot is open at the December Election
- Responsibilities include:
 - Handling the monies of the club
 - Signatory on Club Credit Union Account
 - Receive and deposit club dues and other income
 - Reimburse club members for club expenses
 - Log all income and expenses of the club
 - Help with annual budget process
- Note: It would be best if the treasurer is local to AGO because credit union access is needed.
- We will elect a treasurer and all club offices at the December meeting

Amplifier Purchase

- We're making D8 Shack Remote Access
- We need a new amplifier to do this
- Selection is: [Elecraft KPA1500](#)
 - 1500 W PEP CW/SSB/Data
 - Integrates well with our existing K3
 - Remote Controllable
 - \$6735.90 With cable
- Acct Balance: \$6943.50
- Christmas Luncheon paid for except tip
- We will vote to approve/disapprove this purchase at the December meeting [since it is >\\$100](#)

Need Net Volunteer

- Kirk will be out of town Thanksgiving Week
- Need local (not EchoLink) volunteer to run the net
- One or more days 22, 23, 24, 26
- No Net on Thanksgiving
- Let me know and I will send you the info. (Script)

Judy's Presentation

Judy wants to go early

Judy Kerner

KK6GCB

My year in Ham Radio 2021 – Judy KK6GCB

- El Segundo Amateur Radio Group (ESARG)
 - *The repeater that Aerospace uses for morning check-ins has a periodic message about the Monday night Net at 7:15pm (“Thank you , Juliet”)*
 - *Have been calling in often, taken an occasional turn as Net Control, have just agreed to be the regular Net Control for first Mondays*
 - *It is a “directed net”, guests are welcome – you are all invited to try it*
- Participated in Field Day, June 26-27, 2021 with ESARG
 - *On Sunday morning, went to the ESARG location – the El Segundo City Emergency Communications truck in Hilltop Park*
 - *Used their equipment to make multiple QSOs*
- Aerospace morning net check-in
 - *Have been calling in to the 8am Aerospace net from home most mornings*
 - *Have taken over for Kirk as Net Control several times when Kirk couldn’t make it, including a few times unplanned*
- Want a home radio with more power, but minimal antenna reqts - suggestions?
