Amplifier Purchase

- We're making D8 Shack Remote Access
- We need a new amplifier to do this
- Selection is: Elecraft KPA1500
 - 1500 W PEP CW/SSB/Data
 - Integrates well with our existing K3
 - Remote Controllable
 - \$6735.90 With cable
- We need to vote to approve/disapprove this purchase since it is >\$100
- Actual purchase will be made once we get our budget allotment from the AEA
- APPROVED UNANIMOUSLY

Raffle

- A person is only allowed to take home one prize
- If you win a higher prize
- you choose which prize you want to keep
- the rejected prize is returned to the pool
