AEA Funds Request

- AEA has negative balance due to unforeseen expenses in December
- AEA has requested a \$400 in order to balance their account
- Their account must be balanced before budget submission to Corporation
- AEA has promised to make the amount available to us mid-year if needed
- \$400 > \$100 so we need a vote from the club to approve the transfer
- Bylaws have a 10 day window for vote submission
- AEA needs funds faster, vote to make exemption for AEA
- We have the \$400 to spare
